# The "420" I

## The *First* Industrial John Deere Tractor of the "Modern Era" to carry the "I" designation, now available as a beautifully detailed 1:16 scale toy by Ertl.

The Industrial Tractor offering by the Two-Cylinder Club for 2011 is the John Deere "420" I in Industrial Yellow, a milestone in the company's history as the first Modern Era Tractor to have the "I" designation.
